Melissa Hernandez  
Driven Las Vegas Client

In 2010 I was hit by a drunk driver and labeled as a quadriplegic. Today, I am a paraplegic through therapy, perseverance, and faith. I know I will walk again one day!

**SUCCESS:** Melissa has taken her first steps overground since her spinal cord injury.

**Future Forward, Focus for 2025**

- Launch adaptive sports programming on a dedicated court at DRIVEN Indianapolis.
- Create a second-floor community hub offering wrap-around services for the paralysis community at DRIVEN Indianapolis.
